Boulder Art Association Member Show  
December 2020 through January 2021  
Museum of Boulder

## “The BAAaaa! Show: *In & Around Boulder*”

Our show is inspired by a long ago BAA exhibit which was advertised with a sheep cartoon and a speech bubble. For the “*shear*” fun of it, the Boulder Art Association is today borrowing the clever use of our capital letters to promote our latest member show and have some fun in and around Boulder.

Because of our history of promoting the arts in Boulder, the Museum of Boulder is offering to host our show coming this December through January, 2021.

### Each participating artist will enter 2 pieces of their work:

1) **8” x 8” BAAaaa panel :** Any imagery created in response to “sheep”. - Your style, your way.

Please use our panels, provided free to all artists registered for this event.

It is important that we all use identical panels to create a harmonious quilt-like entry display.

2) **In & Around Boulder:** This is the show’s main exhibit of any recently created work in your own unique style, medium, interpretation - open to anything in and around Boulder that inspires you: - buildings, views, people, animals, still-life...

- 2D work must be wired for hanging. No sawtooth hangers.
- 3D work is limited to a counter-height surface. Mobiles welcome (3 lb limit).  
Please discuss any 3D work with us prior to registering and with the Exhibit Chair.
- Label the back of each entry with full name, title, medium and price.
- All sales will be handled by the BAA: 70% of sale price to artist, 20% to BAA, 10% to Museum of Boulder
- Five Awards: Ribbons + \$50 each
